

The 11th Asian-European Symposium on Metal-Mediated Organic Synthesis

Technion – Israel Institute of Technology | Haifa

September
6-8, 2020

Speakers

Bandini Marco (University of Bologna, Italy)
Chen Chien-Tien (National Tsing Hua University, Taiwan)
Chiu Pauline (The University of Hong Kong, Hong Kong)
Echavarren Antonio (ICIQ, Spain)
Gelman Dmitri (Hebrew University of Jerusalem, Israel)
Harutyunyan Syuzanna (University of Groningen, Netherlands)
Hayashi Tamio (Nanyang Technological University, Singapore)
Knochel Paul (LMU, Germany)
Lee Chulbom (Seoul National University, Korea)
Liu Guosheng (Shanghai Institute of Organic Chemistry, China)
Ma Dawei (Shanghai Institute of organic chemistry, China)
Maiti Debabrata (Indian Institute of Technology Bombay, India)
Martin Ruben (ICIQ, Spain)
Muñiz Kilian (ICIQ, Spain)
Masson Geraldine (GIF, France)
Nakamura Eichii (The University of Tokyo, Japan)
Nozaki Kyoko (The University of Tokyo, Japan)
Pappo Doron (Ben Gurion University, Israel)
Ritter Tobias (Max Planck Institute, Germany)
Schoenebeck Franziska (University of Aachen, Germany)
Shaozhong Ge (National University of Singapore, Singapore)
Skrydstrup Troels (University of Aarhus, Denmark)
Stary Ivo (Czech Academy of Sciences, Czech Republic)
Tan Choon-Hong (Nanyang Technological University, Singapore)
You Shuli (Shanghai Institute of Organic Chemistry, China)

Guest of honor

Prof. Armin de Meijere (University of Goettingen, Germany)

Organizing committee

Ilan Marek (Chairman, Technion), Yael Nir (Assistant, Technion), Ahmad Masarwa (HUJ),
Mark Gandelman (Technion), Gabriel Lemcoff (BGU), Arkadi Vigalok (TAU), Alex Szpilman (Ariel University)
